THE MERCANTILE AGENCY,

Established in New York nearly 23 Years ago,

On JUNE 1st, 1841,

(FOR THE PROMOTION & PROTECTION OF TRADE,)

Union Buildings,

28 ST. FRANCOIS XAVIER STREET,

MONTREAL, C. E.

Our object and that of our EIGHTEEN Branch and
Associate Offices, in the large Cities of the United
States of America, Canada, and in London, England, is
to give information to Subscribers, of the standing of
those who purchase Goods on time or otherwise re-
quire CREDIT.

We are supported by fully Three-Fourths of the Merchants, Bankers, and Manufacturers, of every community where our advantages are known.

"This Institution, established in the City of New York over sixteen years ago, for the promotion and protection of trade, was the first organized effort ever made to relieve the Merchants and Manufacturers of the Union from the insecurity of credit operations, and to substitute for the tardy, expensive, and unsatisfactory results of individual investigation, a *system* that should be alike prompt, economical, and reliable—whose purpose it should be to supply (to subscribers only) all necessary information as to the standing and responsibility of Merchants, Traders, Manufacturers, Public Companies, &c., throughout the United States, their Territories, and British North America."—*Our Circular of 1857.*

Collections of past due Debts particularly attended to for all, whether Subscribers to the Agency or otherwise.

Terms of Subscription will be made known at the Office, where we shall be much pleased to afford information as to the system pursued, and to give (free of expense) to those who contemplate joining the Institution a reasonable *test* of the correctness of our reports.
